

## Box Theatre Project - Shrek the Musical

Task - to create a model theatre out of an old shoe box or cereal packet and introduce set design ideas based on Shrek the Musical.

Please watch the short film below about the set design for Shrek the musical.

 $\frac{\text{https://www.bing.com/videos/search?q=theatre+design\&ru=\%2fvideos\%2fsearch\%3fq\%3dtheatre\%}{2bdesign\%26FORM\%3dHDRSC3\&view=detail\&mid=D3336E487922E5C3A4ADD3336E487922E5C3A4}{AD\&\&FORM=VDRVRV}$ 

Notice the detail involved in creating a set and also how you need to use your imagination and creativity. You will see how designers create smaller versions of sets before they create the final version.

Now watch the following short film on how to create a simple theatre out of a cardboard box.

<u>Task</u> - (3D Design) Design your own box theatre using an old cereal box/cardboard box. Use your imagination to create a box theatre for a Musical such as Shrek. Add a simple backdrop/cut out characters. If you don't have all the materials on the film improvise with what you have!

## Or

(2D design) On paper design a set for the Musical Shrek - remember to label characters and particular design elements you have included e.g. scenery, backdrop, wings, stage revolve.

Take a picture of your finished creation /design and email them to the drama department (Drama@irlamandcadishead.org.uk).

We can't wait to receive them!
